**TO WHOM IT MAY CONERN**

MCST 975 has engaged TKC Technology for installation of CCTV cameras at Katong Plaza since 2010. The sales team is experience and is able to give good advice and prompt services to MCST 975 and the technician is well trained and friendly. The most creditable point is the fee charges are reasonable.

The MCST 975 is satisfied with their services and products and will continue to give them our full support.
